life thought of the week: love doesn't just "live and let live." God has put love and power together (psalm 62:11-12). love won't settle for "personal choice" or "public opinion" or "political controversy." remaining silent about sins like abortion and assisted suicide may avoid one kind of offense. but it perpetrates a greater one by refraining from showing love. real compassion acts with courage. it means words of warning as much as words of winning over.
