Church Attendance should be counted during the sermon hymn to make sure that late-comers have been seated. Be sure to count the people in the transept, nursery, and balcony as well as the nave. Give the Attendance Book and the Offering to the Treasurer, Dan Reilly, to put into the vault. *Do not leave the offering unattended.*

It Is Extremely Important that Ushers be available for Emergencies that may arise. Please stay in the narthex or the back of the nave during the service. Familiarize yourself with the location and use of the fire extinguishers, cot, first-aid kit, blood pressure cuff, etc. If any medical emergency occurs during a worship service, seek the help of one of our doctors (Doug Campbell or Angela Campbell).

If you cannot serve on the date scheduled, please find a substitute or Reply to All to see if anyone can switch days with you and inform Annette Koehler at (901) 487-5113 or ak5711@comcast.net or Carley Peterson at (901) 292-5381 or ccrpeterson@gmail.com by the Tuesday before. If you know that you will not be available to serve on a particular Sunday, please contact Annette or Carley so she will not add you to the schedule on that date.

*Thank you for your service to our Lord and His Church!*
